## RELATIVE TO APPOINTMENT OF COMMITTEE TO STUDY TAX STRUCTURE ON NATURAL RESOURCES

Mr. Prescott offered the following resolution:

H. C. R. No. 58, Relative to committee to study tax structure on natural resources.

Whereas, There have been complaints from various groups and factions in recent months that the tax system on natural resources is at such wide variance in different states, with the effect that disturbance, confusion and harm has been a consequence; and

Whereas, The oil producing states have successfully established an interstate oil compact dealing with production, to the satisfaction of all concerned, with Col. E. O. Thompson, Chairman of the Texas Railroad Commission, pointing out that such compacts can be successfully carried out on subjects other than oil; and

Whereas, The Governor of Texas, affected industries, citizens in general and Legislators have found these differences confusing, with little or no information as to the real facts; therefore, be it

Resolved, The Senate concurring, That a committee of five Members of the Legislature, three from the House, to be appointed by the Speaker, and two from the Senate, to be appointed by the Lieutenant Governor, to study the tax structure on natural resources among the several states, especially those bordering Texas, and obtain all the information possible and report back with recommendations to the next Legislature, looking toward an interstate compact or mutual agreement. For the purpose of carrying out this resolution an appropriation of \$1,000 is hereby appropriated out of Contingent Expense Fund of the Legislature, the members of the committee to serve without pay, but to have the necessary traveling expenses paid when such traveling expenses are necessary.

PRESCOTT,  
DAVISSON of Eastland,  
HARRIS of Dickens.

The resolution was read second time.

Mr. Wood raised a point of order, on further consideration of the resolution, on the ground that the House has heretofore defeated a similar resolution.

## TO GRANT PERMISSION TO SUE THE STATE

Mr. Stinson offered the following resolution:

H. C. R. No. 59, To grant Sam Tobolowsky and James A. Gripeotis permission to sue the State of Texas and State Highway Commission.

Whereas, During the year 1932, Sam Tobolowsky and James A. Gripeotis were damaged by the State Highway Commission by virtue of the obstruction of State Highway No. 6, during the construction of an underpass under State Highway No. 6, which runs between the City of Dallas and the City of Vickery, over the property of which said Tobolowsky and Gripeotis had a leasehold estate at Vickery Dining

Hall, Vickery, Texas, from September 15, 1931 to September 15, 1932, and which they claim destroyed the value of such lease, the State Highway Commission obstructing the only avenue of ingress and egress to and from their premises; and

Whereas, The State of Texas and the State Highway Commission contend that suit cannot be maintained against said State of Texas and State Highway Commission without permission from the Legislature of the State of Texas; and

Whereas, Although the Legislature of the State of Texas does not admit that the said petitioners have a valid or just claim against the State of Texas and the State Highway Commission, it is the sense of this Legislature that no citizen of this State, who has a valid or just claim against the State of Texas or the State Highway Commission, shall be deprived of his opportunity to establish or enforce such claim by reason of any constitutional inhibition; and

Whereas, Said Sam Tobolowsky and James A. Gripeotis have never been compensated by the State of Texas and the State Highway Commission for the damages to their lease; now, therefore, be it

Resolved by the Senate, the House of Representatives concurring, That Sam Tobolowsky and James A. Gripeotis be, and hereby are, granted permission to bring suit against the State of Texas and the State Highway Commission in Dallas County at any time within two years after the passage and enactment of this resolution, in order to determine compensation for damages received, if any they can show, and that service of citation or other necessary process may be had upon the State Highway Commission and the Attorney General with the same force and effect as in civil cases, and that any judgment obtained therein shall be paid out of the funds of the State Highway Department.

The resolution was read second time, and was referred, by the Speaker, to the Committee on State Affairs.

#### RELATIVE TO SALARIES OF CERTAIN EMPLOYEES

Mr. Cathey offered the following resolution:

Whereas, Since the convening of the Forty-fifth Legislature, Proof Readers in the House, and Assistant Sergeant-

at-Arms in the House are only being paid Four (\$4.00) Dollars a day; and

Whereas, In the Senate of the Forty-fifth Legislature, they are paying Five (\$5.00) Dollars per day to all their employees except Pages; and

Whereas, The Senate uses the same kind of money paid by the taxpayers and out of the same Contingent Fund that the House of Representatives pays its employees; and

Whereas, The Assistant Sergeant-at-Arms and Proof Readers that do the proof reading for the House of Representatives, most of them at least live in different parts of the State and are forced to pay heavy living expenses while on duty in Austin at the Capitol; and

Whereas, Said Proof Readers from and after the fifteenth of March will be forced to stay on duty most of the time until far into the night; therefore, be it

Resolved, That the House of Representatives instruct the Chief Clerk, beginning the fifteenth of March, to pay the sum of Five (\$5.00) Dollars per day for their work.

CATHEY,  
HERZIK,  
NEWTON.

The resolution was read second time. (Mr. Alexander in the Chair.)

Whereas, Under the terms of such project as laid down by the Works Progress Administration, the Adjutant General's Department of the State of Texas is required to furnish certain equipment needed and necessary in the process of laying said asphalt paving; and

Whereas, The roads to be paved are in constant daily use by the personnel of several departments of the State of Texas, namely: members of the State Highway Patrol and of the Bureau of Intelligence, Department of Public Safety; Headquarters Troop, 124th Cavalry, Texas National Guard; 111th Quartermaster Regiment, 36th Division, Texas National Guard; State Staff Corps and Detachment; and

Whereas, There is located at Camp Mabry, the mechanical shops of the State Highway Patrol, the headquarters of the Bureau of Intelligence, both of the Department of Public Safety, and the warehouse in which all supplies of the Texas National Guard are stored, said supplies having a value of Four Million Dollars; and

Resolved by the House of Representatives of Texas, the Senate concurring, That the Texas Highway Department be, and the same is hereby authorized and requested to lend such equipment as it now has available to the Adjutant General's Department, State of Texas, for the purpose and use of laying said two miles of asphalt at Camp Mabry, Texas, it being understood that such equipment shall remain in the custody of the Adjutant General's Department for the purpose and use of paving said roads at Camp Mabry only so long as needed for the paving of the approximate two miles of road included in said Works Progress Administration project, and that only such equipment as is now owned by the State Highway Department shall be loaned and that no burden of any kind shall be placed on the State

Mr. Lanning (present), who would vote "nay", with Mr. Jackson (absent), who would vote "yea".

Mr. Schuenemann (present), who would vote "nay", with Mr. Stevenson (absent), who would vote "yea".

#### REASON FOR VOTE

I voted "aye" on the substitute motion by Mr. Keefe, to postpone consideration of the Farmer Old Age Assistance Bill, House Bill 48, until March 23, for the reason that I believe that the bill as drawn would result in loss of Federal aid to Texas for the payment of old age assistance, and the further fact that the bill would result in greater discrimination than has ever existed in the old age assistance system in Texas, and the fact that these defects, as I see them, could be corrected in the reasonable time proposed by the substitute motion, by Members interested in the measure getting together and writing a substitute bill. I voted "no" on the motion to postpone until April 6, because the time seems unreasonable for any purpose other than to kill the bill.
